

IN MEMORIAM

ELLEN H. P. REESE

August 30, 1926–April 2, 1997

Ellie Reese was a revered and influential teacher at Mount Holyoke College. Among her contributions were several textbooks, including *Experiments in Operant Behavior* (1964), *The Analysis of Human Operant Behavior* (1966, 1978), and *Applying Behavioral Analysis* (1982; coauthored with Beth Sulzer-Azaroff), and a set of highly effective films for classroom use on basic behavioral principles. She was an energetic champion of behavior analysis.
